

ARGN E.E.

Quality Policy of ARGN E.E.

ARGN E.E. operates in the provision of consulting, technical, and support services, with the aim of delivering reliable service to its clients and creating added value in every project it undertakes.

The Company's Management is committed to the development, implementation, and continuous improvement of the Quality Management System in accordance with the requirements of the ISO 9001:2015 standard, as well as to compliance with the applicable legal and regulatory framework.

The key pillars of the Company's Quality Policy are:

- 01** the provision of high-quality services with professionalism, consistency, and technical competence,
 - 02** the understanding of clients' needs and expectations and the continuous pursuit of their satisfaction,
 - 03** the effective organization and monitoring of the Company's processes,
 - 04** the use of modern methodologies and tools to improve the efficiency and quality of the services provided,
 - 05** the management of risks and opportunities with the aim of ensuring operational continuity and reliability,
 - 06** the continuous training and development of the knowledge and skills of human resources,
-

-
- 07** the protection of the confidentiality of information and the responsible management of data and corporate resources,
-
- 08** the continuous improvement of the effectiveness of the Quality Management System through the monitoring of objectives, performance indicators, and audit results.
-

The Management of ARGN E.E. ensures that this Policy is known, understood, and applied by all personnel and partners of the Company, and remains available to any interested party.
